ATEL 17, LLC
ATEL Growth Capital Fund 8, LLC,

Communications from the Funds that may be delivered electronically include:

- notices; and
- consent solicitations.

The Investors who sign the Consent provided will receive these communications electronically. They were also informed that this Consent can be revoked at any time by written notice to ATEL Investor Services.

You are being notified of this action because ATEL Investor Services has a record of you representing an investor(s) in these Funds. As such your copies of the foregoing communications will also be converted to electronic delivery. We will commence electronic delivery beginning with the first quarter of 2018. These communications can be accessed by you at:
